WHEREAS, student ticket distribution has been riddled with difficulty for much of the year 2000; and,

WHEREAS, an administration-student task force deliberated and recommended distribution policies for high demand basketball games during the 2000-2001 season; and,

WHEREAS, the administrative oversight over high demand basketball distributions left the existence of student input into other distributions ambiguous at best; and,

WHEREAS, Article II, Section One of the *Student Body Constitution* states “The supreme legislative power for the Student Body shall be vested in the Student Senate;” and,

WHEREAS, *Student Body Statutes* §2-1 Rule 10 (b) states “The Committee on Campus Life shall be responsible for ... Ticket Distribution Policies;” and,

WHEREAS, both current practice and the text of the Student Body Statutes leave Student Senate's role in ticket distribution policy formation and

26 implementation unclear to the senate, the student body, and the athletics
27 department; now; therefore be it
